The Premises:

Very pleasant area of town. Quiet street. Easy, free parking. Easy to find. Very safe and discreet. House is clean, warm, a most welcoming atmosphere.

The Lady:

Best thing to do is - look at the incredibly erotic pics on her website. That's exactly what she looks like - only better. She's mid-30's, 5'8", dark, shoulder-length hair, slim, superb body, remarkably sexy, very pretty face with the most wonderful smile that would light up the town if only it could be hooked up to the national grid.

The Story:

Monique does everything she possibly can to ensure you have the best time ever, and go away totally satisfied and happy. She is very kind and gives generously of herself - in the way she kisses, for example. She is brilliant company; she made me laugh again and again - and it takes quite a bit to do that, these days, lol. She is clever and witty. Just a lovely person to spend time with.

If this all sounds a bit dull, I'm giving the wrong impression. The sex, for me, was fantastic; everything I could have wanted and more. I've been seeing escorts for more years than I care to contemplate, and I've rarely met someone as captivating, professional and totally genuine as Monique. She is a very special person.

From all this, you may have concluded that I have been a bit bowled over. Quite right; I have. And so will you be.
