The Premises:

Nice flat above a shopping mall, on brae st. in Paddington.

The Lady:

About 5ft 6/7. Lovely, slim, with beautiful pert tities and a peach of a tight arse.

The Story:

This is a little beauti! What a body, tight with fantastic legs a peach of a arse that her tiny G string went 'right up'

Nice freindly welcome, straight to her room, on to the bed and had her on all fours eating her sweet clean shaved pussy, with-in no time. After that lots of sucking and fucking (great eye contact with your cock in her mouth) she made all the right noises and loved her pussy licked, at the same time as my noise was going up her arse, as she pushed it into my face, while on all fours. Her pert tities are those only a 19 year old girl could have (loved her feeding me those) All in all a excellent punt and a hidden gem at Barracuda, would defo re-visit, before she leaves in May/June to start her Masters Degree.
