The Story:

Truly fantastic GFE. This was not my first time with Lea and it won't be my last!!! Always pleased to see me and lot's of passionate kissing from both of us - its difficult to resist such a gorgeous body and after licking those delicious nipples I dived into the honeypot for some very tasty RO. Lea then returned the compliment with some premium OWO and in no time had me ready for action. Then on with the cover and she climbed on top for some bucking cowgirl and her hip action, combined with the movement of those lovely natural breasts, had me struggling to hold back so we switched to doggy and then into mish when I finally exploded, looking down on that beautiful smile. My only regret is that she only works in MK on a Wednesday so I cannot see her as often as I would like, but perhaps I need to conserve my strength between visits. This is my first FR as I was planning on keeping her to myself but I guess the secret is out. Lea I can't wait for next free Wednesday!
