The Premises:

In my view GFE Massage is the best parlour I have visited in Sheffield. It's clean and safe. Private parking and discreet back entrance.

The Lady:

A beautiful, young polish college student with a great smile and very friendly personality. In her early 20s I believe.

The Story:

I have seen a few WG's of GFE before Emily, namely Luna, Ellie, and Sarah. For a few times when I was there, Emily was always busy. Judging by the number of FR's about her here, I am sure she's popular. I felt rather lucky this time to be able to see her, after waiting in the lounge for about 20 min. She was kissing and touching all over my body after I had a quick shower, followed by FK, OWO, and hand job. She's very friendly and not a clock watcher at all. I enjoyed the little conversation we had before and in between, as if we had known each other for a long time. She's one of the very few in Sheffield who offers GFE services including FK and OWO. I am sure her skills can only get better as she gains more experience in this industry. In particular, the FK was good but not as sensational as reported by others -- it's DK with a bit of tongue, but not really DFK. OWO was on offer but if you are a regular in receiving this you are likely to have experienced better. Hand job is something I would not opt for next time.

I would definitely go back to see her again and again, because she's like the sweet girlfriend you met when you were 16 while she's eager to learn and experiment s** with you.
