The Premises:

Clean flat, safe area as before, easy parking, no probs.

The Lady:

Lucy is georgeous, sexy voice, sexy bod, sexy bum(!), a thoroughly nice person to spend a delightful time with.

The Story:

Started off with some oral both ways before progressing to the shower for some fun, then back to the bedroom for lots more oral, sex in various positions, doggy, missionary, sitting and I even managed to come up with a new position that Lucy hadn't tried before ;)! All in all a great time, my third visit to this establishment so they must be doing something right, the time positively flew by!
