The Premises:

Her place is on a bit of a main road, only one shop near by, and opposite the road is a pub (not Directly). A bit tatty going up the stairs, but her own massage room was clean and tidy, with a proper massage table.

The Lady:

Anne is Polish with dark hair, say late 20's fairly good looking, wearing normal clothes, nothing revealing. size 12 I think with 34c cup at a guess. advertises on the internet under the name Kate. Has a photo, but she looks better in person.

The Story:

I phoned and made an appointment for 3pm, which i arrived on time for, greeted by name and went up stair to her massage room.

Sorted out the paymnet then left to undress while she left and returned a few minutes later. Onto the massage table for a very soft and sensual massage, then turn over for the best HR I have ever had, she did allow me to touch her lightly over her clothes, I would say that is as far as she would go, as I did try to slide my hand inside her top, she kindly stopped me there. She cleaned me up, and then left me to get changed while she waited outside the door. There was hardly any communion, which was OK for me, but some may prefer small talk. For the price and service I will return, plus on the bonus side, she is only a few minutes drive from me.
