The Story:

I found Stacey's house quite easily, and she was ready and waiting for me. Very sexy - better than her photos even. We sorted the fee then went up to the bedroom. Stacey is what you would call 'naughty but nice'. Without going into lurid details, we had a brilliant time together. Stacey has a really excellent figure - fantastic legs and breasts - and certainly knows her way around a guy's sensitive bits . . . A real GFE, Stacey gave me a really sexy time - I will be back - for the full hour this time - 'cum as many times as you want' was her parting words !
