The Premises:

Clean flat conveniently located off lower part of Edgware Road. Very close to tube. Felt safe

The Lady:

Dark haired Brazilian . Pictures on her website show definitely the same person but was disappointed as she has put on a lot of weight since they were taken > She is described as early to mid 20s but looks a lot older than her web pictures and I think she is maybe about 10 years older than described.

The Story:

I was attracted to Bianca not just because of the stunning pics of her on the site but some of the more unusual services she provides. I opted for a domination session which again was very disappointing as her cleaner was in her apartment as she kept interrupting the session to talk to. During the 1 hour session she left the room 3 times for periods of over 10 minutes . Shes does offer all the services as stated on her site but I left feeling disappointed about her appearance and service I had asked for.
