The Lady:

Crystal is a beautiful curvy woman who gets a man hot in no time. Short blond hair, great breasts. She also wears glasses which suits her very well.

The Story:

Well seeing Crystal is a great experience.

As soon as i met in the hallway of her house, the snogging begun. Man that woman knows how to kiss.

Crystal was wearing this white PVC nurses uniform which looked amazing on her.

We spent a long time snogging and slowly undressing. Crystal never rushes me and she always takes her time to give me a passionate true GFE.

After we got on the bed, she then gave me a great BJ which i have to stop her from continuing cause i didn't want to come too soon.

Then came the great sex, first in missionary and then with her on top.

Afterwards we spent some time chatting and getting to know each other.

Crystal is an amazing woman and any guy would consider himself very lucky if they got to spend time with her.
