The Premises:

Easy to find with sat nav. Free parking near by after 1800hrs. Well written board. Easy entry. Friendly receptionist. Clean small room with tiny single clean bed.

The Lady:

How can I describe this girl! She is my first Indian experience. She looks like Sonam Kapoor in few angles. She has one of the best smiles, and I called her having naughty smiles, she told its cheeky smile! The web pics do not justice at all.

She put an elongated red bindi. She has very sexy eyes with Indian type of eye make-up. Long hair, smooth skin with wheaty complexion to die for. Tall girl with right quantity of flesh around the butts, tummy and arms. Very small breasts with lovely tits. Tight round bottom to die for.

She came with high heels with red stockings and red bra with a very nice smile...my heart stopped beating for a second.

The Story:

The room put me off: small room with single bed and too hot.

I was sitting on the bed with all my dresses. Sunita entered the room in high heels with red stockings and red bra. Matching bangles, ear rings and bindi. She told the prices and asked me undress and lie on my tummy.

She spoke through out the session, and she has a very sweet voice. She asked about me, and she told about herself too!

I opted for massage without any thing. Just hands! She triggered right areas.

I stood up and embraced her from back looking into the mirror. I undressed her too. She allowed me to play with her tiny breasts and tits. She allowed me to suck and lick them, and I was on heaven.

She did covered oral, and deep throat. She could take the whole meat inside and smile at a same

time. Then 69! The vaginal lips are of enormous size and her clit looks great. I played with her for a while.

To begin with reverse cowgirl where I played with her butts. Then cowgirl, where I played, sucked and licked her breasts. She gently kissed me on lips. I went to missionary position, where I explored her upper body. I licked her tummy chest, and most importantly her sweaty shaven armpits! Salty very salty, and very tasty!!

I could not control, and came out in the rubber. I wanted to do doggy, and in standing but could not last longer than missionary position :((

Next time I will book her longer for cumming twice in a bigger room. I would love to have a shower/jacuzzi with her before the start of the game.
