The Premises:

Shared flat on an upper floor of a modern high rise near Marble Arch (private - not council). Didn't try the shower. Meter parking nearby. Short walk from Marble Arch tube.

The Lady:

Photos on website are authentic and accurate. Good looking doe eyed girl ~ 19 y.o.. Slim, medium hips, medium breasts (B cup) with prominent nipples, dark hair, brown eyes. Fully shaven.

The Story:

Described on her web page as Latvian but she says she is from the south of Poland (may explain her slightly Romanian looks). A quiet but intelligent girl who doesn't say much but understands English well. Dry sense of humour. Oral covered, no French kissing but reverse oral on offer. Sexually responsive and will probably orgasm from sustained intercourse. Even my feeble 30 seconds started to get her going. An excellent punt. Recommended.
