The Premises:

Decent enough flat on the top floor of a house in a quite residential street less than five minutes walk from Olympia tube. Clean room, big bed, decent shower with clean towels.

The Lady:

A mixed bag this one. Jessica is a good looking girl, but not beautiful.

The Story:

7/10 from me for looks. She's tall, pretty and has a very lean body - perhaps too lean. Her tits were a perfect handful, but the scars are very prominent. She's a pleasant girl, but not particularly intelligent. Conversation was fine, but somewhat run of the mill. Like so many of the girls you meet these days, she is keen to leave the business as soon as possible and start her own enterprise with her boyfriend.

Her OWO was unaccomplished but she did try. Cowgirl was better. Her pussy is extremely tight and her ass very firm. She took a good pounding for at least ten minutes and I finished inside her. Totally drained my sac.

Overall a positive experience, but not necessarily one that is worthy of a repeat booking. At ?250, she is ?50 overpriced.

Also, I got the distinct impression that the 'boyfriend' was seated in the next room the whole time. I'm reasonably sure that Jessica is working of her own volition, but not too many guys would enjoy waiting for someone else to service their girlfriend, would they?

Overall: 6.5/10
