The Premises:

Clean, not beautiful but perfectly functional flat near Marble Arch.

The Lady:

Nice looking Czech girl with a fabulous pair of breasts. Not as trim as in the photos and a couple of years older I think but nice face, lovely mouth, nice personality and those breasts still looking as good!

The Story:

She is a warm, friendly girl who seemed to enjoy having sex and was happy to do most anything. Loved having her breasts played with and she put them to very effective use in a number of ways! Was eager to have her pussy filled, didnt rush away after and was happy to have a bit of a cuddle afterwards. A nice time had.
