The Story:

Leila arrived on time but was obviously very tired and disinterested and appeared to be chewing gum. Against my better judgment I decided to continue the date, but this was a poor decision by me. She has tattoos and piercings, including in her tongue and vagina. Lacklustre BJ and little response otherwise. She had no condoms with her(!!!!), so I supplied. Very tight but piercing bruised my member. Speaks fair English and said she hated her job. I suggested she might like to leave after 1 hour but she insisted on staying the full time, so we engaged in tedious conversation between her yawns.
