The Premises:

This is a Chinese Medicine shop in Little Newport Street near to Leicester Square tube. It is clean inside, but I'm not sure about shower facilities.

The Lady:

Coco is a very slim and petite Chinese girl, late teens or early twenties maybe dress size 6 to 8.

The Story:

This was not my chosen punt, I was walking towards Soho on the way to Oxford Street when I saw Coco trying to hook men into the shop. She looked so cute that I thought what the hell and besides it was cold.

I paid ?45 for a one hour massage and we headed downstairs to a very small massage room. The massage was very good, but all the attention was to my back, neck and shoulders. I came to terms with the thought this was a straight massage only. When I turned over, however, Coco pointed to my semi erection and asked me if I wanted that taken care of. Yes please! It was ?20 for touching plus ?20 for topless. No problem, it was a good massage and now for the finale. Coco has small A cup boobs with lovely prominent, dark nipples. The HR was nice and slow and I was soon spurting. I will use this place again if my chosen punt falls through.
