### The Premises:

Jade has a nice ground floor flat in a small block very discreet and safe area on the fringe on the town centre good directions and safe parking,inside was immaculate well kept and the bed looked so inviting.

### The Lady:

Jade is a lovely tall black lady,very easy to get along with,gorgeous pert breasts and a bum to die attached to a pair of the best looking legs I've seen in a long time.

### The Story:

Started with a kiss and a cuddle,then moved onto the bed for a very sensuous massage with Jade sitting astride me was soon rising to the occassion her fingers knew just where to get the most effect on me and with soft delicate kisses to my body a great experience,she then proceeded to put a condom on with her mouth and started to give me the best blow job ever had to stop before I came Jade then got on top for some more enjoyment before finishing off in the missionary wow Jade is a truly wonderful and sexy woman and nothing is to much trouble for her.Cant wait for my next visit.
