The Lady:

Lauren is a stunning blonde, with long hair and a beautiful smile. Her agency website photos don't show her face, but don't let that put you off! She's very pretty and has a slim and elegant figure with very shapely natural boobs. Her nose and belly button are pierced and she has two small tattoos.

The Story:

It was easy to get relaxed with Lauren - she has a bubbly personality and a good sense of humour, was keen to ensure she knew just what I wanted and avoid what I didn't like. She arrived very swiftly and was well dressed. Out of her clothes she was absolutely captivating and deliciously irresistible, and the two hours just flew by. My only regret was not being able to afford her to stay all night!

I would thoroughly recommend Lauren and will definitely try to see her again next time I'm in the area. Beautiful, charming, intelligent and fantastic in bed - what more could you ask for?
