The Premises:

Most readers will probably know Karen's. It's on a busy main road and there's a small car park at the rear which quickly gets full. The place itself is well appointed with en-suite shower and strategic mirrors. Comfortable is probably the word that best describes it.

The Lady:

Jordan is a shapely lady and I found it hard to believe that she was the age she said she was. Long blonde hair, attractive and friendly, reasonably tall, thankfully without any piercings.

The Story:

It's been quite a while since I've been to Karen's and the personnel has changed. Jordan, it seems, is very new to Karen's though has worked elsewhere.

What an experience this turned out to be!! We started with her straddling me and me sucking, nibbling and licking her tits, then she lay down for some reverse oral which she appeared to enjoy.

Bit of a massage then she gave attention, with finger and tongue, to my perineum - absolutely delightful!! There followed some ball licking and cock sucking before she straddled me and then onto doggy. Aided by Jordan's previous ministrations I had one hell of an orgasm. One of those that seems to go on forever.

She told me afterwards that she tries to give VFM since that means clients are more likely to return. She certainly does and I certainly will. An excellent experience.
