The Premises:

Go down a gravel path away from public gaze, press the buzzer and you are admitted to meet the very helpfull retired but still delicious Cindy. ?10 door fee gets you as many hot or cold drinks you need,use of the sauna and of course the shower.I have been coming here for many years and am amazed at how many great British girls Cindy comes up with. I enjoyed the sauna a couple of times and as you can see the girls walking by whilst in the sauna it is easy to make your choice. My first choice would have been an attractive black girl untill I saw a huge pair of breasts walk by,a few minutes later I noticed they were attached to a body with a very pretty face, my mind was made up and I asked the breasts sorry lady her name it was Kacey. Time to go to the adjoining bedroom.

The Lady:

Kacey is about 5'1" not sure about size but breasts must be FF/GG I should have asked.I would say mid twenties. There seamed to be a spark immediately as we snogged while sitting on the couch. I was asked what services I would like and we agreed on kissing as we had already started,OW and RO. I believe OWO is extra and probably worth it with Kacey so deffinately next time.We soon moved to the bed and emjoyed each others bodies even though I am old compared to Kacey. Lots of 69,fingering and sucking of my cock untill it was time for the condom and some serious shagging took place in a few positions untill we appeared to climax together.

The Story:

Oh dear i've found an absolute gem and am getting worried these lovely girls might leave me pennyless. I thought about keeping quiet about Kacey but that would be selfish and I wish you all to enjoy her as much as I did. Thanks Kacey xxxxx
