The Story:

This was my second visit and she was even more attentive than before. She is a very sweet girl and responds well to kisses and caresses. Very much a GFE. After undressing each other and mutual fondling I went down on her (she has a lovely shaven pussy) and she responded very enthusiastically. She then gave a superb blowjob (covered) and then mounted me. At this point she seemed to go a bit wild and bucked up and down like a wild thing. The sight of this angel on top of me in the throes of sexual ecstasy was too much for me and I blew my load. After calming down we had a nice chat about her plans for the future: she is a lovely lady. Highly recommended!
