The Premises:

Reasonable part of the town, parking on side roads at this time ok. Was clean enough to be functional and no real issues here.....

The Lady:

Anna is approx a size 16/18 but carries it well. A Latvian lady with some nice assets, brownish shoulder length hair, and stands around 5'8".

The Story:

Was shown another lady but chose Anna. Have seen her many times before. Had a massage with her touching all my sensitive parts, i massaged her, a small bout of oral, a couple of positions and it was all over.

She seemed to enjoy her time with me and was v. pleasant.
