The Premises:

The room itself is very clean, tidy and well kept. The maid was very pleasant and good company whilst you wait.

The Lady:

Blonde bombshell. Paris is stunning with a body to dream and die for! She has a tight tones body, and a fantastic clear complexion. Just wish the wife looked this good. Unable to fault Paris physically in any way.

The Story:

Paris made me welcome from the moment I walked through the door. She took time to say hello and made me feel at ease. I was a bit nervous but soon felt relaxed. We both undressed and spent ages just kissing and petting. At no time was I rushed. Her body is sublime and I spent my time enjoying her physique. Nothing was too much! I asked Paris what she liked and she said anything (but don't play with my bum!). We has a fantastic 69, followed by cowgirl, doggy and finished with mish. A good clean up, a kiss goodbye and I was on my way ... a very happy man!

Paris is a gem and needs to be treated well. She may work in Soho, but she's not a cheap whore, but more like a polished concubine!
