The Premises:

well kept clean walkup, next to restuarant. nice sized room, always feel safe here.

The Lady:

slim and petite is probably the best description of this young Romanian. small tits, possibly a B cup, which is fine with me. very slim, brunette with a clean shaven pussy.

The Story:

One of the best experiences recently, Aleena started by gently rubbing her tits all over my body, which I didn't expect for the ?20 I had paid. she then massaged me for a while before asking me to lay down on the bed. she carried on rubing up and down with her tits until the little fella got hard, then she slipped on the rubber.

we swopped places into miss.

the punt left me with a smile on my face :) well recommended.

She works Thursday and Friday
