The Lady:

Holly is approx 23. Though she does look younger. Without doubt the most attractive girl I have seen in this industry. She has beautiful long blonde hair and a smile to die for, Her body is slim and very well toned. She has gorgeous perky breasts and a peach of a bum.

The Story:

To be fair this wasn't the first time I had met Holly. So we already have a bit of a routine going. First she greeted me with a kiss and a cuddle. After the money was sorted she was all mine.

She is really affectionate but also very passionate. Lots of kissing and foreplay before she started a wonderful OWO. After a while it was my turn to give her reverse oral. She really responds well to this. Then on with the condom for her to ride me like a stallion. Wow she is good. She makes all the right noises and makes you feel really special.

After it was over she made sure she has a little chat so that she doesn't just run off after the deed is done. This is a nice touch compared to other girls I have seen. Also she doesn't clock watch either.

I would really recommend her to anyone and you will NOT be disappointed I promise. Treat her with respect and kindness and you will reap the rewards
