The Premises:

Cheap hotel in Springfield Quay

The Lady:

Described herself as 40, but late forties would be better. Blonde, massive natural, pendulus tits. Quite a belly on her. pock marked face.

The Story:

The hotel is quite cheap, with a bunk bed located above the double bed in a very small room. Massage was pointless with just hands rubbing my bum with no sensual strokes or attempt at anything else. Answered the phone during my massage (that I was paying her for!).

On with the johnny and a reasonable BJ. She doesn't go on top 'cos of a problem with her hip (not surprising at her age), so into mish and scissors, but what's the point unless the tits are swinging? Moved her into doggy, but she used all the pillows to support her so her tits didn't swing. So I hung onto the bunk and fucked her hard and fast doggy style. She didn't wait until the last spurts before she was off the end of my cock and handing me some toilet paper to clean myself up. The only words exchanged was 'Lifts are at the end of the corridor'.

In summary, a dirty ride that did what I needed, but not enjoyable.
