The Premises:

Angela works in a small clean well maintained house behind a parade of shops so quite discrete. It is in the shopping area of a good residential area. Very safe with plenty free parking and good public transport.

The Lady:

Angela is a Spanish lady who speaks very good English but with a charming Latino accent, very sexy and very easy to get on with, a great attitude. She is in her late 30's, about 5ft 2in, a nice well rounded bum, overall about size 10 or 12? with a lovely pair of 34 DDs, with hard nipples and blonde/brunette hair which is usually tied back. Down below she keeps some hair but shaves the main action area.

The Story:

I have seen Angela a couple of times before and as she is very friendly and obliging I took the opportunity to see her again when circumstances allowed.

When I arrived she was dressed in black lingerie with stockings, as requested, but with the added bonus of them being seamed which lead to a lovely sight as I followed her up to her bedroom.

I dealt with the money and was soon cuddling and undressing Angela down to her stockings. Then I gave her sweet pussy a good licking followed by rimming her bum. Soon she was bending over for me to lube her bottom. Angela's height is perfect for a man of my modest height so I like her to stand up and bend over. I started by slipping into her pussy which is quite tight and I would have easily come very quickly in there but I wanted to treat myself so I withdrew and slipped into her even tighter little bum hole. Not surprisingly I did not last long.

After a clean up we had a kiss and cuddle and then Angela started a long session of extremely deep throat oral. As she keeps her hair tied back you can see all the action and there is eye contact as well. She really does give O like a pornstar, lots of different techniques and really deep which takes my breath away.

Although I could have gone back in to her pussy for a second helping I was happy to shoot over her lovely breasts and left very happy and relaxed after a hard week at work.

To sum up Angela is one of those mature ladies who can provide a nice GFE but also an excellent PSE. She is well worth a visit and very good value.
