The Premises:

Shabby house in residential area, old fridge freezer outside. Safe enough but not private, 'discrete private parking' turned out to be the front garden so car was on open view to busy road. Used tissues and condoms in a carrier bag in the corner of the room. There was at least one other girl working there.

The Lady:

The girl I saw was a short, under 5', 19 year old Romanian. Ok looking but not pretty. She did not match the photographs on ** or the description given.

The Story:

When booking by phone the Asian lady pretended to be Roxana (ie 21 and Polish) She said the photos on the web page were taken in Poland despite the Cacti in the background! I should have bailed out then but Roxana had good feedback from other punters so I went along anyway.

The girl could hardly speak any English which made things difficult. Said she didn't do doggie when asked but might have thought I was asking if she had sex with dogs, who knows!! Answered phone during the hour and said I had 5 minutes left after 45 had elapsed. I argued the toss but was past caring so left anyway.

Requested my money back as guaranteed on the ** page but was refused, surprise, surprise!

Basic bait and switch, complete waste of money.
