The Story:

Sometimes its the eyes,sometimes the bum,etc but with Abi its the whole package.For my tastes Abi has the perfect body,slim,athletic,toned but curves in all the right places,and probably the most beautiful breasts I've ever seen,let alone had in my mouth !-provided you are a quality not quantity man,like me.

Abi also has a confidence and intelligence which make the recovery interludes enjoyable(not that they are long with her)between the erotic safaris up Mount Orgasm,a peak this old codger,celebrating his 58th birthday with a treat,scaled 3 times without difficulty under Abi's skilful encouragement.

To quote her website,dont just anticipate Abi,experience her-you wont regret it.Thanks Abi for a superb afternoon's pleasure and relaxation
