The Premises:

Basement flat, clean, safe etc. near the Tube station.

The Lady:

Photos are real but shopped of course. Looks bit older than in photos, overall probably better in photos. She's got a decent pair of tits and she'll get your dick hard easily enough, though.

The Story:

Avoid her giving you a shower at the start if possible. If she insists on your having one, absolutely insist on washing yourself.

As for that action. She did bareback BJ OK, then I got my meat moving in and out of her pussy in doggy. I only came once since the massage she gave me after the first round was just AMAZING I didn't want it to stop! Feel like going back and just so I can have a full hour of her massaging me!

Was good, and she's a friendly, gentle lady. Just would have been better without the inordinate amount of time-wasting in the shower at the start.
