The Premises:

Finding myself returning to Bedford I decided to revisit IM. This time I was armed with some prior knowledge and phoned ahead to book Susie in her school girl outfit. Receptionist could not have been more pleasant and helpful - both on the phone and in person. Even more impressive considering it was her first day - an absolute natural and an undoubted asset.

The Lady:

Susie is even better in real life.... she appeared in the requested outfit and all I can say is Wow! No half hearted efforts here - an obvious attention to detail that is typical of IM. Suffice to say that an extremely pleasant 30 mins followed and a most satisfactory conclusion reached - which left me a broken man with a silly grin on my face!!!

The Story:

Intimate Massage is a very professional, tidy and yet above all friendly outfit that ticks all the right boxes. It provides an above average level of service and I would have no hesitation in recommending it unreservedly. I shall be going back - try it, you'll like it.
