### The Story:

I phoned A on the spur of the moment, and happily she answered. I arranged to go over and she texted me her address. On arrival the money side was soon taken care of and A led me by hand into her boudoir - a nice touch. I then stripped and fell on the bed. A started caressing me and paid particular attention to my burgeoning cock. She disrobed herself and soon was wanking me furiously. Then it was on with the durex and A gave me a right good tonguing, with great eye contact throughout. I now wanted her very badly and she moved on top of me, burying my cock deep in her tight and warm little pussy. We fucked hard that way, then I changed to missionary and pumped A as hard as I could. Eventually I came hard, encouraged by A's moanings, and she did too, I think!

A is a trifle shy, but once she gets going she is a really dirty little minx. Check her out, chaps!
