The Premises:

Nice clean 3rd floor flat in a quite cul-de-sac. No problems finding parking. She informs me a 10-15min bus ride from Northolt Stn on the Central Line. Over land is also close by.

The Lady:

Wow, an ebony stunner. Mid 20's 5'7" with lovely toned legs, gorgeous silk like soft skin, size 10-12, great breasts with pert long nipples.

The Story:

She was fantastic from the moment I walked in to the time I left. A horny welcome DFK which went on & on & on, no leading necessary as she can kiss! Slowly undressed, whilst she gave the most amazing OWO Deep Throat followed by CIM. Some pleasant conversation ensued before more of the same with RO & fingering by me.

Alicia goes from a great GFE to PSE & back, with no prompting or hesitation. I'm sure she loves men, or that's how she made me feel. Without doubt a great girl who if was working in the centre of London could command so much more than the ?130 for an hour!
