The Premises:

3* Hotel room. It was clean but obvious she was staying for more than the night! Reception area very busy as it was a Fri night, no problem entering hotel, walked through lobby to the lift without being approached.

The Lady:

As previously reported, but with a little bit of the over indulgence we all carry after the Christmas party season.

The Story:

It has taken me some time to think about submitting this due to a rather unnerving experience with the evening 'telephonist'. I was running late, so I called the hotel, room number given only, well I received a more than aggressive call from the 'telephonist' & I was close to cancelling my visit off the back of this. Yes I was naive, but the manner of the call I had to endure was no acceptable.

The time I spent with Ellie just passed so quickly, she offered me everything, I asked for everything, but in reality one hour is never sufficient. Ellie provides a great GFE with good OWO skills, passionate love making skills coupled with her humour, cheeky laugh & great accent! I'm sure Ellie & I could have played more but she is more than that.

I would not vivist again, just purely because Ellie is a little short for likeing & this is not a reflection on the time spent with her.

In the interim period from my visit Ellie reminds me very much of Daniella Lloyd the WAG, she may love or hate me for this observation!
