The Premises:

Basement flat of a typical house near Earls Court Tube station.

The Lady:

Slim thing in her early twenties. Was frosty to start with, but soon lightened up to be a really funny girl. Photos are accurate enough. She's not got the biggest tits, but they've got a wonderful shape to them. Pert little ass.

The Story:

Doggy first round, then managed to get her on a sensitive spot during the second round and her nipples were so hard and her cunt was just dripping wet and squelched away nicely. She didn't know what to do with herself! Most enjoyable!
