The Premises:

Easy to find place where HoD2 used to be. I hope HoD go back to walk in appointments at some point in the future.

The Lady:

Very pretty and friendly girl. I think the pics on the website give the impression of someone older, but Sally looks much better in the flesh. In fact she looks really good.

The Story:

Like some other reviewers I picked Sally on the strength of her previous FRs. I spent the next 30 minutes having a very nice time.

Sally is an attractive girl who provided a lovely good old fashioned shag. She kisses nicely with tongues and had me as hard as a tent pole with her oral (without) skills. At one point I had to ask her to slow do, which she duly did.

The punt came to an end with my powerful cum with Sally on top bouncing around on me.

I would recommend Sally and will be seeing her again. She offered all the services I enjoy - kissing, owo, reverse o. Link this with her being a very pretty girl, then you can't go wrong.
