The Premises:

As before next to Florest shop and small, pleasant rooms albeit with single beds. ?10 is the door fee per 30 mins and ?70 for the lady or if you like ?160/hr. Prices are relatively steep compared to an agency lady or independent for ?150 so do you get good value? Met by maid, a girl called Paris and then the stunning Caprice. Not sure why they seemed a bit unenthusiastic?

The Lady:

Lovely girl with great body 34de, e stands for enhanced. Has 9 min weekly top up suntan and has long dark hair with streaks of white and blonde? Not sure re that bit. No kissing, so full GFE is out then.

The Story:

I guess it was more punter led or perhaps she was a bit shy? Massage was only token and the ?70 gets you a BJ covered as well as sex with only 1 come allowed. Whilst with her, it was great, as she looks great all over and i came, saw and left. It depends who you get, a few of the other girls here do kissing and are more chatty.
