The Premises:

Well known serviced apartment block in s ken. Nice area - small flat but clean.

The Lady:

Extremely pretty young Thai lady - her pictures are good but she is even nicer in the flesh with a great body, good skin and perfect teeth. One of the prettiest Oriental girls I have met, honestly.

The Story:

Not only gorgeous but sweet and adventurous sexually. Best time I've had in a while with the added bonus that she can speak very acceptable English. If I wasn't twice her age I'd be very tempted to whisk her away from all this. In the meantime, she is very hot and deserves to be busy and also to be treated nicely. A top girl. I will return, for longer next time, which I hope will be soon.
