The Story:

This was my first time punting - I was very nervous but Charlotte definitely put me at ease!

We had a drink to start with, afterwards had a quick shower then moved into the bedroom. Charlotte was very attentive and made sure that she knew what I was looking for.

Sadly the action didn't last as long as I hoped (she's too good!), and we chatted for a while until the time was up. By the end I was completely relaxed and enjoyed a good chat about sex and sexuality, the escort industry (I loved that especially - can't talk about that with most people!) and travel.

All in all a great experience - I'm sure I won't make this my one and only punt and would definitely book Charlotte again.
