The Premises:

well reported on by my self local and convenient parlour rear and front entrance on bradford's curry mile next to Akbar's Indian restaurant

The Lady:

Chelsea stands at about 5/7 in heels and has a baby complexion soft skin with long brunette hair down just past her shoulders.

she is about size 10/12 with a good figure and supporting a great pair of very natural breasts about a DD I would say. pleasant friendly and down to earth personality, chatty and bubbly in the room and on first meeting appealing nature.

The Story:

Chelsea delivers a good service and all is available to her discretion. I tend to be normal and maybe a little forward but don't have a fetish but I believe extras are on offer and whilst I was having a cuppa after she went up to the room to give a golden shower so seems she is up for most things maybe but hey just ask she is straight enough to tell you. I left content but I could have gone there again had I the time and the money.
