The Premises:

Clean Flat. Well Known Place

The Lady:

A Fox. 5 foot 5 ish, Size 8 - 10. Beautiful face. Basically this girl looks healthy, has a fit (athletic) body and a bad ass imagination.

The Story:

Like alot of people I find myself loving the middle ground between an bad ass girl friend and a dominatrix. This is the perfect mix! There is no point in describing what goes on during a visit because what makes it amazing for one person may well not float another's boat....but...Holly latched onto what turned me on instantly and within 15 minutes had me wrapped round her little finger, which is, for the record a place I intend to stay!

I suppose the best thing to say is that I've visited this place every 4 months for the last 5 years (most times I come to london) and from now on will not see any other...She just "got it"...know what I mean?
