The Lady:

Slim and busty like her pictures on the website but her pictures are a bit flattering as she seems a little older but still nice.

The Story:

Greeted me with an open smile and a kiss. I had a quick shower and straight into the action. Her owo was enthusiastic and nice french kissing. She was very obliging and willing to please, especially when I requested her kneeling down in front of the mirror for a long oral. Onto the bed and great sex. Had a rest and a chat then ask for a quickie before jumping into the shower to clean up, and to my surprise, she said yes!

Great lady! Pity, I had a vision of her that did not quite the same as her pics - should have known better but still a great punt!
