The Premises:

The place was called Oasis, but it has been bought by an independent who has a couple of ladies work from there on her day off. Very clean, discreet and ample parking.

The Lady:

The receptionist called her Carly, but she introduced herself as Carla. A large lady described as early 30s (Wouldn't disagree with that) with 38 DD breasts that were absolutely fantastic. Caral said this was her first day ever in a parlour as a WG, although she had been a receptionist at another parlour previously.

The Story:

Carla was lovely, albeit a tad nervous on her first day. She had a nervous giggle throughout, but I found that endearing. A nice massage followed by a great time. No lube required as she got wet enough by just enjoying the action and I reckon that once she gets beyond her shyness about the basics, such as going through the menu and rates, she'll really fit in to the job.

Carla and I enjoyed a bit of OWO, RO and sex in mish and cowgirl. I finished off over her marvelous breasts, which she seemed to enjoy as much as me. I hope she soon realises that most punters are decent, respectful people and that she learns to relax and enjoy it a bit more, without worrying how she is doing. She should understand that I had a very nice time and most punters will enjoy time with her. Her self confidence will grow in time and she'll do well.

I don't normally go for the larger ladies, but Carla was wonderful. I would certainly recomend her.
