The Premises:

Nice flat off Kings Road - clean and tidy but a bit cold, don't think the heater was on.

The Lady:

Nicole is stunning, more than what I was expecting as her pictures were blurred on the website. She is a young, pretty and busty English brunette. Friendly and easy to talk to.

The Story:

I had a quick shower to freshen up and actually get warm as well. I didn't want to waste time so went straight for a nice french kiss to kick things off. Her oral owo and play around then great 69 to finish a great 1st session. She tasted really nice and could not hold myself with her nice owo. It caught her by surprise and bit of a shame that she does not do CIM but I still loved it. After a quick chat and with my time limited, I went for a quick straight second round and felt like a million pounds afterward!

Nicole is gorgeous and great fun with roleplays in between the sessions. I will see her again for sure and the agency seems easy to deal with, which is a bonus!
