The Premises:

Flat above shops, discreet entrance at the back in access road. Nice Modern flat with well decorated clean comfortable rooms.

The Lady:

Gorgeous slim young hungarian girl 20years old , shoulder length (newly) blonde hair, long slender legs , 5'7" tall , pretty cute face and bouncy firm 36C breasts.

The Story:

Arrived at this flat after checking out the website where i found several girls attractive in particular had my eye on cyndys pics.

Shown into a nice large bright bedroom by the maid and after a couple of minutes three different girls introduced themselves individually , Cyndy..Sam & Crystal. All the girls were very young and attractive but went with my initial intentions and chose Cyndy. Paid 60 for half hour sex & oral with.

Cyndy rejoined me and immediately removed her bra & panties revealing a stunning firm nubile young body with beautiful smooth skin, a peachy arse and firm bouncy breasts. She joined me on the bed and asked if i would like a massage. Turned over and she gave me an adequate massage for about 3-4 minutes before i turned over for the main events.

Then knelt beside me and preceeded to put the condom on expertly with her mouth (nice touch) and give me a more than adequate bj with nice smooth strokes , just the right amount of pressure and taking my cock nicely & deeply into her mouth, also licking around and up & down the shaft all the time varying the techniques with nice results and sensations while i fondled her smooth body and intermitently grabbed and squeezeed a handful of fresh young breast and arse. Shortly she moved round so she was facing me giving me a better view of her cute young face and my cock sliding between her sexy young lips and down her throat.

Soon i gestured i was ready & knelt on the bed above her and Cyndy took some lubricant and gently with a gorgeous touch of her soft hands put it all over my cock carefully sliding up and down every inch until my cock glistened and stood proudly to attention waiting to penetrate the young

body below. Asked her for missionary and she lay on her back and i jumped on top & my rock hard cock sliced between her pussy lips feeling the warmth and softness from within. Began fucking her while enjoying the moment , slowly lowering myself and brushing my body against hers increasing the pace then shortly moving into doggy with long smooth strokes pressing against her round firm bum cheeks while firmly grasping her hips, then increasing the pace forcing her body to jerk forward as i pounded her until the last few movements and my cock exploded inside her.

Afterwards we both cleaned up and dressed and chatted briefly before leaving a little lighter and nicely de-stressed.

Would recommend cyndy for her gorgeous young body & may return however she is just a little too passive for me and although the experience was nice, just not earthshattering. She was friendly throughout and provided a nice service , maybe just a little too young in her ways ?.
