The Premises:

Small apartment on top floor of block near Monument. Stairs leading up are a mess. Flat is converted and the room was the lounge/kitchen with a bed in it, quite cluttered and untidy. Was kept waiting outside for a few minutes until let in, could be embarrassing. Difficult to find if you don't know where you are going, but phone directions from the maid were very good.

The Lady:

Indian lady in her 40's (not 30's as on the AW profile). She is quite short, no more than 5ft, with long dark hair. She has small A boobs and has a bit of a belly. Again, don't believe the pictures on AW are her. Her english is very poor.

The Story:

A not unpleasant experience, but again nothing that really stood out. Her OWO was OK. In fact that just about sums the whole experience, nothing awful just OK.
