The Premises:

A spacious, Victorian/Edwardian villa in a terrace, easily reached with safe on-street parking in a quiet area and no nosey neighbours. I felt absolutely safe.

Maya's house was well furnished and spotlessly clean. She is meticulous about cleanliness. Shower available both before and after.

The Lady:

A welcoming Thai lady in her 40s (I prefer the mature ladies) a little over 5 feet tall who greeted me with a warm smile. Long hair, neatly trimmed pussy and lovely nipples to suck. Maya is a most pleasant, caring lady, with a sense of humour, who obviously enjoys her profession and attends to a man's needs well.

The Story:

Maya greeted me wearing black hold ups with seams, as requested, and high heels. She was in a short flared skirt with wide black belt and a backless top with a halter neck and a plunging neckline and no bra - which made 'exploration' easy and fun. Down below, I was soon to discover (and remove!) a skimpy black g-string.

Once upstairs in her tastefully furnished 'boudoir', she offered me a drink and we sat chatting and getting to know each other. She then undressed me knelt before me for OWO. It was soon time to return the compliment and finger and suck her before she rode me cowgirl. It was an excellent mutually enjoyable hour of sex and Maya ensured that I achieved a great climax. Afterwards, a shower(after which Maya insisted on dressing me) another drink and a chat and it was time to go.

Thank you Maya for a lovely afternoon after a stressful week for me. Just what I needed - I'm not often alone in Bristol, but I will be back one day.
