The Premises:

Medium sized hotel near Paddington. Room was modern if a bit small.

The Lady:

Tall, slim, long dark hair. Alex has lots of tattoos giving her a unique look. Alex has long shapely legs and a fantastic arse which begs to be bent over. She looks much better in real life than in her pictures.

The Story:

Had been trying to see Alex for ages due to her consistently good reviews and finally got my wish.

Greeted at the door by Alex wearing black underwear and stockings. After a quick shower and a bit of chat Alex was down on her knees taking me deep into her throat. Her oral technique is superb. After a quick hit of poppers I could hold back no more and came in her mouth. Alex then invited me to snowball which was a first for me.

I was dying to taste Alex's pussy so she lay back on the bed and I lapped away. Alex gets really wet and I slipped my fingers into her pussy and arse. After Alex came, the condom went on and I slipped inside. Great sex, Alex really knows how to ride a guy. I also got to bend her over and fucked her tight arse as she talked filth.

Still had plenty of time left so spent the rest of the session enjoying ourselves. Highlights included Alex dressing in a nurses uniform, more anal, Alex rimmimg and fingering me, throat fucking and my cumming 3 more times.

Alex was fantastic throughout and i'll definately be seeing her again.
