### The Story:

This girl is a gem. Friendly and outgoing. Lucia is a strong raunchy lady who knows what she likes and what shes good at and yet likes a man to be in control. She greeted me at the door and looked very sexy in her black boots and stockings as I requested. She led me by her hand into her bedroom and quickly took me in her mouth and gave me covered enthusiastic oral. We had plenty of sexy foreplay. We mucked about on the bed and I played with her pussy and licked her clit until she came. She was very adventurous at suggesting several positions over and above my favourite doggy. A-level was one of the best I've experienced. Its always a pleasure but they do vary so pleased to report Lucia knows whats what and I achieved one of my most powerful orgasms. We finished with a gentle massage which took us fractionally over the hour which was nice in a unhurried way. If you like a strong sexy lady whos ace at A-level she is a must try!
