The Story:

This is about the third time I've seen Abbie, we get along really well and I truly enjoy seeing her.

Led into room, did the money thing, she disappeared for a few minutes, came back and got undressed straight away. Started off with reverse oral as she knows it's my favourite thing in the world, then oral from her, on with the welly and used the rest of our time for the main event. This girl is cracking, very sweet, fun to talk to and i'd recommend her to anyone. She only tends to work a couple of days a week so you'll need to call up to find out when she'll be there, but whatever happens she'll be well worth the wait. Actually I don't really want to recommend her as I want to keep her all to myself, but hey that's not going to happen.

You definitely won't regret the visit, she's a corker.
