The Premises:

Easy to find and discreet location, very safe.

The Lady:

I would say Natasha is late 20's early 30's with a fantastic figure, slim legs and large pert breasts. The most striking feature of Natasha however is her big brown "fuck me" eyes.

The Story:

The complete experience from arrival to being shown out the front door was sublime. Natasha is a bubbly girl and obviously enjoys her work; the massage was one of the best and the only disappointment was I had only booked 1/2 and hour.

Will be back for more!
